

GLUTEN-FREE

Although we are experienced regarding the preparation of gluten-free items, we cannot guarantee any items to be 100% gluten-free. We do our best to avoid cross-contamination, but there are airborne gluten particles that may affect those with serious gluten allergies. The frying oil that we use is of the highest quality and filtered daily to avoid cross contamination; however we cannot guarantee fried items to be 100% gluten-free as they are cooked in the same oil as non-gluten-free menu items.
